

## Christ's Church Volunteer / Ministry Assessment

***"Each person should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms." (1 Peter 4:10)***

Have you ever had the feeling that you were meant for something more? At Christ's Church, we believe you are! Each and every week God is changing lives in our fellowship. But the stories of transformed lives are only possible because of people who volunteer their time and energy in ministry. Whether it's holding a baby so a mom can hear the message, fixing a cup of coffee, or being the smiling face someone meets when they arrive at Christ's Church for the first time, you are needed!

Serving at Christ's Church is a simple and rewarding way to use the unique combination of skills, gifts and talents that God has given you! As we continue to grow, so do the opportunities for willing servants who want to help us fulfill our God-given mission and purpose. We believe the Bible teaches that every Christian has been gifted for ministry, so we teach that serving in an area of ministry should be the norm for every member (Eph. 4:16). When we serve others, it is OUR lives that are changed!
