1. What especially spoke to you in this passage?
2. Can you describe a time in the past when you learned – perhaps the hard way – the importance of following directions?
3. In verse 2, why do you think the Lord used the past tense in saying He had given Jericho into Israel's hands, instead of saying, "I will give Jericho into your hands"?
4. When did you discover what it meant to be on God's side and take direction from Him, rather than having Him serve you on your side?
5. In what ways do you think of yourself as being in a battle? And what do you think is God's "military strategy" for you? (II Cor. 10:3-5)
6. Of all that you see in these chapters, what one truth are you most *thankful* for, because of its personal significance to you?
