1. If you were told, “It is your sin that keeps God from working in the life of your children, your family, or your friends,” what sin would come to mind?
2. What sinful desire most controls you right now? (What competes with Jesus for Lordship over your actions?)
3. In your life and or in the lives of others you know, how have you seen the continuing tragic consequences of a single sinful act?
4. Imagine yourself as being a part of the group of leaders mentioned in verse 6. In light of your own personality, what thoughts and emotions would you have had?
5. What are some ways your small group could put Heb. 3:13 into practice? How can that help you? What apprehensions does it cause?
6. Of the four “cures” mentioned to the left, in light of how you’re doing spiritually right now, which one do you think is the most important at this time — and why?
