5. Why do local churches find it hard to get Christian people to volunteer for ministries?
6. How could we change the way we ask people to volunteer?

"If people sign up to help with a need, it will wear out over time. When people commit to an opportunity it can last a life-time. It's a beautiful thing to watch lives transformed because they had an opportunity to be used by God to touch another person. As leaders, let us never be guilty of not giving our people an opportunity to partner with the Creator of the Universe through the local church."
