### Application Questions. . .

1. What especially spoke to you in this message?
2. What is your initial reaction to hurt or offense? Some responses are not as obvious. Instead of an outburst, there is the quiet, subtle eating away of a bitter heart. Why can this be even more harmful than an outburst?
3. How is unforgiveness like drinking poison and waiting for the other person to die?
4. How would you describe the relationship between forgiving and being forgiven (Eph. 4:32; Col. 3:12-13)?
5. Is it possible to totally forgive someone and still have thoughts and emotions that contradict the decision to forgive?
6. How has God's forgiveness affected your life and your willingness to forgive.
7. How do your responses to difficult people and circumstances reflect the mercy, grace and love of God?
