#### Application Questions:

1. What impacted you from this passage or sermon? What questions did it bring to mind? What encouragement do you find in these verses?
2. What evidence do you see of the battle in your life? Your church? Your community? Your nation? The world? What would it mean for you "to stand" in these particular battlefields?
3. If every life is a battle, then how would you outline our correct military strategy, according to verses 10-18?
4. According to Ephesians, who does the armor described in this passage belong to [Isaiah 59:17; 11:5; 52:7]? How is that an encouragement to us?
5. What instructions does Paul give Christians in these verses? How does the armor of God enable us to stand firm in the faith and withstand the attacks of the enemy?
6. What passages of Scripture have been an encouragement to you when facing temptation?
7. Are there passages in the Bible God has used to help you stand firm in the face of the flaming darts of accusations?
